Tasting Notes: Aranda is The Supertuscan of Poggio ai Laghi with a capital 'S'. The meeting of Tuscany's main grape variety, Sangiovese, with the international flavour of Cabernet Sauvignon and Franc and the intense fruity notes of Merlot.

On the nose there is great olfactory power with notes of black fruits. In the mouth, in addition to the consistency of the international varieties, the elegance and freshness of the Sangiovese returns. A wine of great length.
